Qui	Quoi	Où	Quand	Pourquoi	Comment
 Plant Based Summit	The biobased solutions international conference & business meetings	Reims	22-24 Sept. 2021	Post-poned	
				Post-poned	

P comme Publication					
Qui	Titre	Journal	Quand	Comment	Sujet
Pramod S, Anju M, Rajesh H, Thulaseedharan A, Rao KS	Effect of Exogenously Applied 24-Epibrassinolide and Brassinazole on Xylogenesis and Microdistribution of Cell Wall Polymers in <i>Leucaena leucocephala</i> (Lam) De Wit	<i>J Plant Growth Regul</i>	2021		Brassinosteroids, Wood formation, Secondary wall, Cell wall chemistry
Casals C, Guijarro B, De Cal A, Torres R, Usall J, Perdrix V, Hilscher U, Ladurner E, Smets T, Teixidó N	Field validation of biocontrol strategies to control brown rot on stone fruit in several European countries	<i>Pest Manag Science</i>	2021		Biocontrol, Monilinia spp, brown rot, field applications, stone fruit
Jacobi VG, Fernandez PC, Barriga LG, Trapp MA, Mithöfer A, ZavalavJA	Plant volatiles guide the new pest <i>Dichelops furcatus</i> to feed on corn seedlings		2021		stink bugs, <i>Dichelops furcatus</i> , corn seedlings, VOC, Phytohormone regulation, linalool
Sparks TC, Crouse GD, Benko Z, Demeter D, Giampietro NC, Lambert W, Brown AV	The spinosyns, spinosad, spinetoram, and synthetic spinosyn mimics - discovery, exploration, and evolution of a natural product chemistry and the impact of computational tools		2021		natural products, insecticides, agrochemical discovery, artificial intelligence, Computer-aided molecular design
Liu J, Zhao X, Zhan Y, Wang K, Francis F, Liu Y	New Slow Release Mixture of (E)-B-farnesene with Methyl Salicylate to Enhance Aphid Biocontrol Efficacy in Wheat Ecosystem		2021		<i>Triticum aestivum</i> , wheat aphid, behavioral manipulation, semiochemical release, ecological service
Manrakhan A, John Daneel JH, Beck R, Love CN, Gilbert MJ, Virgilio M, De Meyer M	Effects of male lure dispensers and trap types for monitoring of <i>Ceratitis capitata</i> and <i>Bactrocera dorsalis</i> (Diptera: Tephritidae)		2021		Trapping, fruit fly, trimedlure, methyl eugenol

* : Bio Control Agent (BCA) £ : Limite Maximale de Résidus (LMR)
